### **Members**

meetup.com (267)

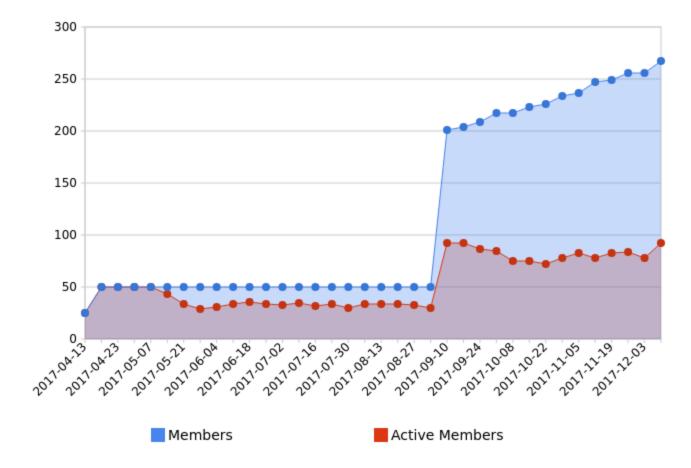

slack.com (126)

### **Members join**

Date

### **Total and active members**

### **Number of attendees**

# **Group reviews**

People from various backgrounds bring their own take and use of Al. Very interesting groups of people, however, the meeting is fully in English.

I think I need to study English.

## **Slack statistics**

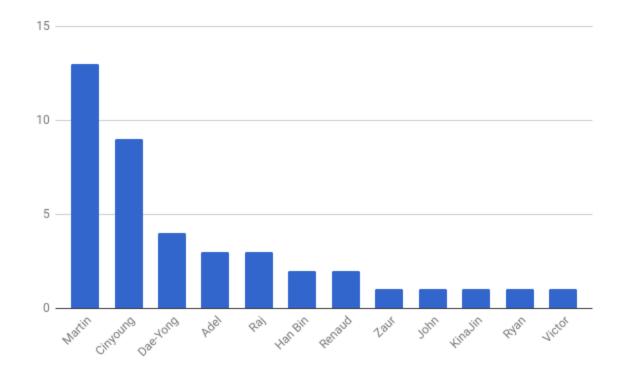

Sent 3,500 messsages Read (public: 69%, private: 22%, DMs: 9%) Sent (public: 51%, private: 34%, DMs: 15%) Stored 149.3 MB

#### https://seoulai.slack.com/admin/stats#overview

### **Presenters/Practicioners**

#### http://seoulai.com/call-for-presenters-practitioners

#### **THANK YOU!**

### **High web search ranking**

Search for "Seoul Artificial Intelligence" at any major web search engine (not NAVER!) and you can see http://seoulai.com or meetup.com/Seoul-Artificial-Intelligence-Meetup/ among the first results.

# Discussion

What did you like? What didn't you like? Where did we fail? Where did we succeed?

What the next year should be like?

# SUGGESTIONS
